

Butterfly Puppet

Choose bright colors to color in the wings. The black line are the veins of your butterfly. Cut it out and fold in on the center line and then again on the dotted lines. Take hold of your butterfly and move it up and down to fly it around the room.

Listen to the song "Butterfly" by going to Cdbaby.com and on the top, in the search space, type in Elizabeth McMahon. Click on [Waltzing with Fireflies and "Butterfly"](http://Waltzing with Fireflies and Butterfly) is 14th song.
